

# Certificate of Preparation for Police Examination and Recruitment (COPPER) (Level 5)

New College Lanarkshire

## Venues

Cumbernauld Campus

## Content

The COPPER course prepares candidates for the opportunity to apply for a range of services, in particular, Police Scotland. It provides candidates with an overview of the Police entrance examination, fitness test and interview process. It also includes opportunities to develop core skills.

Please note that the fitness element of the programme is delivered at Broadwood Stadium. You will be assessed on an ongoing basis using practical assessments, assignments and case studies.

Subjects include:

Forensic Psychology; Communication; First Aid; Numeracy; Fitness and Nutrition Studies; Cyber Security; Crime in the Community; ICT core skills; Introduction to analysing criminal behaviour; Crime in society; Crime scenes.

## Start Date

August

## Qualification

NQ

## Study Method

Full time

## Course Length

1 year

## Department

Law, Criminology and Police Studies

## Entry Requirements

2 subjects at National 5.

While the course is open to all applicants, candidates should refer to the entrance requirements for the police service before starting the application process (for example, age requirements). Check the Police Scotland website for entrance

requirements.

Applications are subject to successful interview.
