

Access to Science Teaching (SWAP)

New College Lanarkshire

Venues

Coatbridge Campus

Content

Do you have a burning desire to change career? Maybe you have been looking into teaching as a next step. You will have read and heard that Science Technology Engineering and Maths (STEM) is a particular area of focus within Scotland's political arena and in particular the lack of teachers within this vital area.

You will study the full N5 Mathematics qualification and two units that give equivalence to Higher English. These are a minimum requirement set by the GTCS General Teaching Council for Scotland.

The rest of your programme will be dependent on the scientific area(s) that you wish to study. E.g. N5 and Higher Chemistry, N5 and Higher Human Biology, N5 and Higher Physics, N5 and Higher Mathematics.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Science

Entry Requirements

You should have a minimum of 3 clear years out of formal education and a history of good mathematics qualifications from school but for whatever reason you did not continue in your studies.

You will be interviewed and your numeracy skills will be tested during the interview period. You will also have to supply two (2) references that show your ability to learn and be successful.

Progression into any study with teaching as subject will require PVG Disclosure Scotland Criminal Records checking.

SCQF Level

6

Progression Routes

Successful students can progress onto first year university, HNC /HND Level courses or to a range of Further Education or Higher Education courses.
