

Biological and Biomedical Sciences (in conjunction with the National University of Singapore)

University of Dundee

Venues

City Campus

Content

Spend 18 months abroad studying exciting biology topics and completing your honours project at the National University of Singapore (rated number 1 university in Asia and number 12 in the world). Attend two of the world's best Universities for Biological and Biomedical Sciences and also gain valuable international experience.

You'll be making the most of each university's strength in the field of biosciences. The course will provide a firm grounding in biological sciences and develop a complementary specialism in one of the following: Genetic Medicine; Neurobiology; Physiology and Ageing.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

BSc Hons

UCAS Code

B9C1

Course Length

4 years

Faculty

School of Science & Engineering

Department

Biological Sciences and Biomedical Sciences

Entry Requirements

2026 entry requirements:

4 Highers at BBCC (BCCC for widening access entry) including Biology or Chemistry plus National 5 Maths at B and Biology and Chemistry at C.

SCQF Level

10
