

## Biological and Biomedical Sciences (in conjunction with the National University of Singapore)

University of Dundee

### Venues

City Campus

### Content

Spend 18 months abroad studying exciting biology topics and completing your honours project at the National University of Singapore (rated number 1 university in Asia and number 12 in the world). Attend two of the world's best Universities for Biological and Biomedical Sciences and also gain valuable international experience.

You'll be making the most of each university's strength in the field of biosciences. The course will provide a firm grounding in biological sciences and develop a complementary specialism in one of the following: Genetic Medicine; Neurobiology; Physiology and Ageing.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BSc Hons

### UCAS Code

B9C1

### Course Length

4 years

### Faculty

School of Science & Engineering

### Department

Biological Sciences and Biomedical Sciences

## Entry Requirements

2025 entry requirements:

5 Highers at BBBB (4 Highers at BBCC for widening access entry) including Biology and Chemistry plus Maths at National 5 at B.

## SCQF Level

10
