

## Electronics and Computer Science

University of Edinburgh

### Venues

King's Buildings Campus

### Content

Electronics and computer science are a fascinating and highly valuable combination.

Interactions between these fields have generated some of the most significant advances in computer design and communications technology over the last 50 years.

They teach a solid foundation of electronics and computer science. You will learn how to design and apply both the hardware and software of general-purpose and embedded computer systems.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BEng Hons

### UCAS Code

GH60

### Course Length

4 years

### Faculty

College of Science and Engineering

### Department

Engineering

## Entry Requirements

2027 entry requirements

Standard entry:

4 Highers at AAAA (by end of S5 preferred) including Maths at A and one from Biology, Chemistry, Computing Science, Engineering Science or Physics (preferred) plus National 5 Engineering Science or Physics at B and English at C.

Widening access entry:

4 Highers at AABB (two sittings) including Maths at A and one from Biology, Chemistry, Computing Science, Engineering Science or Physics (preferred) plus National 5 Engineering Science or Physics at B and English at C. Highers at BBB must be achieved in one sitting.

## SCQF Level

10

## SCQF Points

«SCQFPoints»

## Progression Routes

Degrees are accredited the UK Engineering Council by the British Computer Society

## Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»

## Address

Old College  
 South Bridge  
 Edinburgh  
 City of Edinburgh  
 EH8 9YL
