

Chemistry (Higher)

Inverness College UHI

Venues

Inverness New Campus

Content

Chemistry, the study of matter and its interactions, contributes essential knowledge and understanding across all aspects of our lives. Chemistry explains the links between the particulate nature of matter and the macroscopic properties of the world. Chemistry research and development is essential for the introduction of new products.

Start Date

August

Qualification

Higher

Study Method

Full time

Course Length

1 year

Department

Education and Applied Sciences

Entry Requirements

Maths at B and Chemistry at National 5

SCQF Level

5

Progression Routes

Further and higher education courses

Address

1 Inverness Campus
Inverness
Highland

IV2 5NA
