

## Combined STEM

Open University in Scotland

### Content

This flexible degree combines science, technology, engineering and mathematics (STEM). Build your degree from a variety of STEM modules and study routes to create a unique qualification.

The BSc (Hons) Combined STEM allows you to study more than just one STEM subject – to fit your personal and professional needs, interests and aspirations. The flexibility of this degree makes it relevant to a wide range of jobs and industries – many of which require proficiency in a range of STEM-based skills. It can help you develop your existing career or start a new one.
