### Content

The BA (Hons) Culture and Heritage, and related joint honours degrees, will appeal to anyone who has a broad interest in Scotland and in the Highlands and Islands region in particular. The degree explores key cultural, literary, language, historical, musical, and philosophical issues at a national and regional level.

The programme is aimed at students from a wide range of academic disciplines who wish to study in this rapidly growing interdisciplinary field. You can choose your own topics to research for your third year interdisciplinary project and fourth year dissertation, bringing together the multi-disciplinary teaching and learning you will experienced throughout your studies.
