

Economics and Personal Finance

Open University in Scotland

Content

By studying this certificate, you'll appreciate how economic theory helps understand real world important issues in areas such as government policy, international trade, business decisions, work and innovation. You'll discover how economics and the economies have evolved over time. This will give you a building block towards acquiring a critical perspective on economics and economic choices for our daily lives. As you're learning about income, expenditure, savings and investments, you'll gain practical tools and ideas on how to manage your own money effectively.
