

## Language Studies

Open University in Scotland

### Content

This flexible languages degree allows you to study two modern languages, choosing from French, German, and Spanish, or combining one of these with English language studies. Learning a language and understanding how languages work opens doors to other cultures and communities, giving you a richer experience of the world than most tourists ever encounter. It can also provide a strong foundation for success in the global workplace. By the end of your studies, you'll understand how language is structured and used in different contexts, becoming an effective and culturally aware communicator – skills increasingly valued in today's interconnected world.

### Start Date

October

### Qualification

Degree

### Study Method

Online learning

### Award Title

BA Hons

### Course Length

Flexible

### Faculty

General

### Department

Languages

### Entry Requirements

There are no formal qualifications required to study this degree. Computer and internet access required.

If you're new to study or to the OU, it is recommended that you start with a course at Level 1.

### SCQF Level

10
