

## Computing and IT and Psychology

Open University in Scotland

### Content

In this certificate, you'll explore the intersection of computing & IT and psychology. You'll study human-computer interaction, cognitive processes, and the societal impacts of technology. This qualification prepares you for roles that require an understanding of both technology and human behaviour, such as user experience research, digital health, or educational technology. It also provides a foundation for further study in computing and psychology.

### Start Date

October, February, April

### Qualification

CertHE

### Study Method

Online learning

### Course Length

Flexible

### Faculty

General

### Department

Computing and IT

### Entry Requirements

No formal entry requirements. Computer and internet access required.

### SCQF Level

7

### Progression Routes

«ProgressionRoutes»

### Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»
