

Electrical and Electronic Engineering (Advanced entry)

UHI Moray

Venues

Main campus
Virtual Learning Environment (VLE)

Content

Electrical and electronic engineering is a rapidly growing field, with expanding opportunities in practically every product from electrical super-grids to nanoscale bio-electronics. This course, which is highly industry relevant will prepare you for a rewarding career in a vast majority of industries from offshore oil to the National Health Service.

The degree is applications-based using specialist software, laboratory investigations and case studies. It will provide you with the specialist knowledge and broad engineering skills required to find innovative solutions to multiple challenges, ranging from solving the global energy crisis to designing life-saving equipment.

Start Date

September

Qualification

Degree

Study Method

Distance and Flexible learning
Part time (day)

Award Title

BEng Hons

Course Length

4 years

Department

Energy, Engineering and Construction

Entry Requirements

Relevant HND

SCQF Level

Progression Routes

«ProgressionRoutes»

Combination Courses

«htmlCombinationCourse»

«htmlCombinationUCASCode»

Address

Moray Street
Elgin
Moray
IV30 1JJ
