

## Mechanical Engineering

University of Dundee

### Venues

City Campus

### Content

Mechanical Engineering mixes traditional core engineering principles with emerging technologies to create truly innovative solutions to design and analyse problems.

Dundee Mechanical Engineering students participate in Formula Student, Europe's biggest student motorsport event, testing their car each year at Silverstone.

Level 1 of the BEng Hons Mechanical Engineering concentrates on essential engineering principles and basic science. More specialised mechanical engineering subjects are taught in Levels 2, 3 and 4 including solid mechanics, dynamics and control, fluid mechanics, mechatronics, and engineering computing applications.

### Start Date

September

### Qualification

Degree

### Study Method

Full time

### Award Title

BEng Hons

### UCAS Code

H300

### Course Length

4 years

### Faculty

School of Science & Engineering

### Department

Engineering

## Entry Requirements

2025 entry requirements:

4 Highers at AABB (BBBC for widening access entry) including Maths and Engineering Science or Physics.

Advanced entry to 2nd year available with Advanced Higher Maths and Engineering Science or Physics at AB or BA plus Highers at AB.

## SCQF Level

10

## Progression Routes
