

Archaeology

UHI Moray

Venues

Main campus

Virtual Learning Environment (VLE)

Content

Year 1 - CertHE

Core modules are:

Archaeological theory and method; World archaeology; Historic landscapes.

You will also choose three option modules which may include:

Science and archaeology; European prehistories; One module from our range of humanities subjects.

Year 2 - DipHE

Core modules are:

Excavation skills: normally taken during the Summer vacation prior to the commencement of year two, at a site location off-campus. You will be responsible for covering the costs of any travel and subsistence associated with your participation in this two-week module; Scottish archaeology; Digital heritage; Managing archaeology for contemporary society.

You will also choose two option modules which may include: wetland archaeology; and one from our range of humanities subjects.

Year 3 - BA

Core modules are:

Archaeology and interpretation; Archaeology project; Archaeological sciences.

You will also choose:

One or both from: pre-history of the Highlands and Islands and historical archaeology of the Highlands and Islands. Plus further option modules from either archaeology or our range of humanities subjects.

Year 4 - BA (Hons)

Core modules are:

Sustainability past and present; Dissertation (archaeology).

You will study an additional three modules from the list of options below; availability rotates each year and is dependent on minimum numbers:

Funerary and burial archaeology; Maritime archaeology and heritage of Northern Scotland; The Iron Age of Scotland c800BC-800AD; Peoples, plants and animals; Vikings and Norse archaeology; Neolithic Scotland; Landscape archaeology.
