Content

If you are passionate about reading, thinking and writing and would like to turn this interest into a career, the BA (Hons) Literature is ideal for you.

You will explore literature in a global context, looking in depth at language and literary history within texts and on the international literary stage.

Studying literature at the University of the Highlands and Islands is not 'English', and nor is it 'Scottish'. Our modules cover a wide range of authors, in English and translation, as well as theory from classic to contemporary. With a solid foundation in genres and periods in years 1 and 2, and research-based modules in years 3 and 4, our graduates are confident and enthusiastic writers, researchers and readers.
