Content

The world of sport and fitness offers a wide range of exciting and satisfying careers across coaching, outdoor adventure tourism and health promotion.

This course will equip you with a balance of vocational skills related to the areas of fitness and sport, providing an integrated programme of theory and practice to enable you to work effectively in a variety of sectors in the sports and fitness industry at a leadership level.

You will work closely with local sport and fitness providers as well as local authorities to deliver sport and fitness sessions in the community.

It is also possible to study Higher English alongside this sport and fitness course – if you wish to study Higher English you must indicate this clearly within your personal statement when applying for the course and an extra fee will apply.
