Content

Combining the complementary subjects of culture and heritage with Scottish history, this joint degree covers the key aspects of Scottish life from early history through to the modern day. You will explore culture, history, language, literature and much more, focussing on the Highlands and Islands, within a national and international context, preparing you for life beyond university.

As you progress through the course, you will choose from a combination of modules, equally balanced between the two disciplines. You will have the opportunity to participate in an optional museum studies module, as well as possible volunteering positions across the Highlands.
