Gateway 2 Creative Industries (Level 5)

UHI Perth

Venues

Main Campus

Content

Gateway 2 Creative Industries provides you with a first step into the sector and allows you to ease into studying, focusing on both your chosen subject and the development of your personal and social skills. The course can be a bridge to NC study in Art and Sound Engineering, helping you to make the transition to higher levels of education with confidence and success.

Core subjects include: core skills, including communication, ICT and numeracy; personal development including wellbeing and volunteering; creative subjects including sound production, digital audio workstations, art and design and creative media.
