Cyber Security and Networks Pathway

Glasgow Caledonian University

Content

Pathways students enrol on the undergraduate BSc (Hons) Cyber Security and Networks at Glasgow Caledonian University.

In the first two years, you will study either HND Computer Networking or HND Computing Technical Support at a partner college while preparing for year three and four of the degree.

Study BSc Cyber Security and Networks at GCU and you will study materials direct from the professionally recognised CCNA Cisco Certified Network Associate and CCNP Cisco Certified Network Professional qualifications. With additional study and assessment, you can go on to become Cisco certified.
