

C&G 2377 PAT Testing

New College Lanarkshire

Venues

Motherwell Campus

Content

This course will allow candidates to undertake both testing and management of data of Electrical Portable Appliances. The course is structured to cover both certificates with practical content included. The course covers: Class 1, 2 and 3 and business equipment testing; competence; procedures to HSG 107; electric shock; management of data and record keeping; legal requirements; frequency of test; statistics and risk assessment.

The course combines two City and Guilds Certificates (2 parts):

Part 1 - 2377-32 - Level 3 Certificate in Management of Electrical Equipment Maintenance

Part 2 – 2377-22 - Level 3 Certificate in Inspection & Test of Electrical Equipment

(Both parts involve open book, online exams with multiple choice questions).
