

18th Edition Wiring Regulation 2382-18 - Full certificate

New College Lanarkshire

Venues

Motherwell Campus

Content

The 18th Edition training course is primarily aimed at practicing electricians with relevant experience, domestic electrical installers and other allied professionals. For example; electrical engineers, contracts managers, designers, consultants, surveyors, and other related trades needing to update and enhance their understanding of IEE Wiring.

The course is delivered over 8 evenings with the online exam the following week (open book, online exam with 60 multiple choice questions).

Covering the full 18th Edition IEE Wiring regulations, the course is aimed at candidates who have never participated in the certificate to BS 7671 standards or those who require to update from previous editions.
