Mechanical Engineering

University of the West of Scotland

Venues

Paisley Campus

Content

MEng (Hons) Mechanical Engineering focuses on industry-relevant topics to reflect the needs of today's employers, giving you the opportunity to build a successful career in the design, engineering and manufacturing sectors.

You will gain knowledge of scientific and engineering principles and take a flexible approach towards new ideas and developments.

You will hone your practical skills by using our industry-standard equipment and software for computer-aided engineering design, manufacture and analysis and failure investigations.

Increased emphasis is placed on sustainable engineering – establishing you as an attractive candidate to prospective employers.

Start Date

September

Qualification

Degree

Study Method

Full time

Award Title

MEng

UCAS Code

H301

Course Length

5 years

Faculty

School of Computing, Engineering and Physical Sciences

Department

Engineering

Entry Requirements

2027 entry requirements

4 Highers at ABBB including Maths and Physics plus National 5 English at B.

SCQF Level

11

SCQF Points

«SCQFPoints»

Progression Routes

Career areas are varied and include design, research and development, analysis, manufacture and project management. Previous graduates have been employed by many leading companies such as Rolls-Royce, Doosan-Babcock Energy Ltd, ABB Alsthom Power, Intel, Hoover, Candy and Biosil.
