

# Mechanical Engineering

University of the West of Scotland

## Venues

Paisley Campus

## Content

MEng (Hons) Mechanical Engineering focuses on industry-relevant topics to reflect the needs of today's employers, giving you the opportunity to build a successful career in the design, engineering and manufacturing sectors.

You will gain knowledge of scientific and engineering principles and take a flexible approach towards new ideas and developments. You will hone your practical skills by using our industry-standard equipment and software for computer-aided engineering design, manufacture and analysis and failure investigations. Increased emphasis is placed on sustainable engineering – establishing you as an attractive candidate to prospective employers.

## Start Date

September

## Qualification

Degree

## Study Method

Full time

## Award Title

MEng

## UCAS Code

H301

## Course Length

5 years

## Faculty

School of Computing, Engineering and Physical Sciences

## Department

Engineering

## Entry Requirements

2025 entry requirements

4 Highers at ABBB including Maths or Applications of Maths and Physics plus English at National 5 at B.

## SCQF Level

11

## SCQF Points

«SCQFPoints»

## Progression Routes

Career areas are varied and include design, research and development, analysis, manufacture and project management. Previous graduates have been employed by many leading companies such as Rolls-Royce, Doosan-Babcock Energy Ltd, ABB Alstom Power, Intel, Hoover, Candy and Biosil.
