Main Campus

Content

This course is delivered by Sabhal Mòr Ostaig in conjunction with the broadcast and media industry in Scotland. Year 1 is college-based and Year 2 includes a 10-month placement in the broadcast and media environment.

Throughout the course, students have the opportunity to develop the necessary technical, creative and logistical skills required for direct entry to the workplace while enhancing their language skills both on campus and in the wider Gaelic community. The award helps candidates develop a wide range of industry-specific knowledge and skills as well as transferable skills.

The aim of the award is to produce graduates who will be fully equipped to shape the future of the industry.
