

Community Development (CPD)

Sabhal Mòr Ostaig

Venues

Virtual Learning Environment (VLE)

Content

The Continuing Professional Development (CPD) award in Community Development has been designed to meet the specific development and training needs of Gaelic organisations and public authorities working in communities to maintain and regenerate the Gaelic language.

It will be of particular benefit to Gaelic development officers, language planning officers, community and economic development co-ordinators and Gaelic education professionals.

The CPD in Community Development consists of two modules: Gaelic: Past and Present (20 credits); Developing Gaelic Communities: Practical Skills (20 credits).
