Tobermory Centre
Virtual Learning Environment (VLE)

Content

The course has been designed primarily for online delivery with a range of learning materials: some text-based, some activity – based and some focussed on reflective practice.

Your tutor will provide you with a short induction to the course by phone, and you will then be provided with phone and email contact details for your tutor. If you have problems with any of the materials, or difficulties in understanding the course, ask your tutor. Your tutor is there to help you with any problems, however small.

Start Date

September, November, February, March

Qualification

Other

Study Method

Distance and Flexible learning
Part time (evening)

Course Length

30 hours

Department

Education and Childcare

Entry Requirements

You will need to have basic computer skills in order to access the learning materials. You must also be working as a tutor in order to undertake the final course assessment. However, you may start the course before you commence teaching, as initial preparation for the role.
