

Supervisory Practices in the Creative Disciplines (PgCert)

Glasgow School of Art

Venues

Main Campus

Content

This exciting opportunity will enable you to develop skills to supervise projects of research at postgraduate taught (PGT) and postgraduate research (PGR) levels. It will enable participants to acquire and develop knowledge and understanding of current research contexts and pedagogies of supervision at postgraduate level.

The programme explores the pedagogical underpinnings of research supervision, the research degree lifecycle and the application of this knowledge to the management of a PhD project and the development of a PhD student, the context and the governance frameworks of the research degree, including European and International perspectives and supervisor/researcher development.

Start Date

September
