

Professional Studies in Education (PgDip)

Open University in Scotland

Content

This professional qualification gives an introduction to postgraduate study in the field of education and offers the opportunity to explore one topic in detail. The modules available cover a range of areas within education but all encourage you to draw on your own experiences and undertake enquiry in your own context. You may also qualify for this postgraduate diploma course if you do not complete a full masters degree in education.

You can exit at the end of stage 1 with the Postgraduate Certificate Professional Studies in Education.
