

Creative Writing

University of Strathclyde

Content

The course is an intense and inspiring environment in which to take your writing to the next level. You'll find yourself in a creative community focussed on the art and craft and business of writing. Through core writing classes with working writers, and skills-focused workshops with creative industry professionals, you'll hone your craft and develop a major project with which you will begin your life in writing.

The emphasis will be on creative risk-taking, never without an eye on the marketplace. The year culminates in a dissertation which will give you the indispensable opportunity to work on a one-to-one basis with a professionally experienced tutor.
