

Applied Mathematical Sciences (4 years)

Heriot-Watt University

Venues

Edinburgh Campus

Content

This is a new two-year MSc in Applied Mathematical Sciences. The first year (Stage 1) is a pre-masters year that will equip you with a solid, theoretical and practical foundation in applied mathematics (6 courses) and includes 2 courses in Research Preparation (English Study Skills). The second year (Stage 2) is the same as our current one-year MSc Programme in Applied Mathematical Sciences which is designed to equip students with the modern, transferrable mathematical and statistical skills to prepare them for careers in industry and research.

Our minimum IELTS entry requirement is 5.5 in all sections. The whole two year programme only requires one visa. We encourage applications from a broad range of technical backgrounds.

For over 40 years Heriot-Watt has been exceptionally strong in Applied Mathematics and we have world-leading researchers in many related areas and very good links with industry.

Start Date

September

Qualification

Postgraduate Master's

Study Method

Part time (day)

Award Title

MSc

Course Length

48 months

Faculty

School of Mathematical and Computer Sciences

Department

Mathematics

Entry Requirements

Entry requires a good first degree, of at least UK 2.1 standard or equivalent, containing some maths and/or statistics content.

Please contact the School if you wish to discuss your suitability for the programme in more detail.

SCQF Level

11

Address

Edinburgh
EH14 4AS
