

## Management and Finance

University of Dundee

### Venues

City Campus

### Content

You will learn about corporate finance and global markets. Develop strategies to deal with global challenges and opportunities facing businesses, whether it is a business you work in, or your own business that you are looking to establish. You will develop the skills to manage people, processes, systems and operations.

You will gain an in-depth understanding of contemporary business and management issues and be encouraged to critique the theories and concepts of the business and management environment.

We also place a lot of emphasis on building strong working relationships with your fellow students. You will develop effective team working skills in preparing and making presentations in key areas of management.

### Start Date

September, January

### Qualification

Postgraduate Master's

### Study Method

Full time

### Award Title

MSc

### Course Length

12 months

### Department

Business and Finance

### Entry Requirements

Generally a 2:2 honours degree in any subject which has enabled the applicant to develop analytical and quantitative skills. If you are concerned that your qualifications do not meet the normal expectation you may apply, but you should include a short personal statement concerning your general interest in your own education, work experience and prior relevant learning.

Places are limited and early application is advised even for well-qualified candidates.

## SCQF Level

11
