

## Fine Art

Robert Gordon University

### Content

Our MA programme provides a series of connected learning experiences, which are delivered through four modules. The Fine Art pathway within the Programme enables you to develop the skills, critical understanding and specialist knowledge required to follow a rewarding career as an independent professional artist or to work within a related creative sector.

This pathway provides a tailored learning environment that encourages and supports your creative development, independence in creativity, imagination and ideas. You will gain an understanding of new interdisciplinary practices, conceptual skills and of the debates informing Art & Design practices. The course is suitable if you have an undergraduate honours degree in Fine Art, Painting, Printmaking, Contemporary Art Practice or Photography, or if you want to develop your career and specialist academic knowledge in these disciplines based on prior professional experience.

You can exit after Stage 1 with PgCert Fine Art.

You can exit after Stage 2 with PgDip Fine Art.
