

## Engineering

Robert Gordon University

### Content

The MSc Engineering Programme allows you to apply for any module in our wide selection of Online Distance Learning degrees, offered by the School of Engineering. Some modules may have prerequisites over and above the standard qualifications for entry.

Each module can be completed individually as a personal development opportunity. Three awards are available:

- Master of Science Engineering (8 modules plus a project)
- Postgraduate Diploma Engineering (8 modules)
- Postgraduate Certificate Engineering (4 modules)

This programme has been designed to encourage a variety of applicants who wish to further their career through CPD, gain a wider appreciation of other disciplines or gain accreditation to a professional body as part of a further learning plan.

### Start Date

September, January, May

### Qualification

Postgraduate Master's

### Study Method

Distance and Flexible learning
