

Law and Energy Law

Robert Gordon University

Content

The LLM Law and Energy Law pathway has been designed to incorporate maximum flexibility both in the topics you cover and the way that you learn, whether on campus, online or through blended learning.

This course involves the study of eight taught modules plus a dissertation on an Energy Law topic. Five subject related modules must be chosen in order to obtain an LLM Law and Energy Law degree.

If you do not hold an LLB degree of equivalent, you will be required to study the Legal Framework module.
