

Human Resource Management

University of the West of Scotland

Venues

Paisley Campus

Content

The MSc Human Resource Management prepares you for a successful career in HRM and enables you to take on general or specialist roles within the HRM functions of organisations globally. This understanding will achieve improved utilisation of the human resource and facilitate greater business success and increased employee satisfaction. It will allow you to develop and assess employment policies and support organisational development.

With the MSc Human Resource Management, you will gain a mix of specialist and generic transferable skills essential for a career in business or HRM. A variety of teaching and learning approaches are used including lectures, tutorials, practical workshops and are focused on the practical aspects human resources. Our highly qualified and experienced teaching staff, supported by guest speakers, will deepen your understanding of business and HRM.

Upon successful completion of the MSc HRM, you will also obtain the Level 7 (Advanced) CIPD qualification and are eligible to become an Associate Member of the CIPD automatically.
