Content

If you'd like to work in the health sector but lack the necessary qualifications this Access course can help get you on the right track.

Designed for students who have been out of education for more than 3 years, the Scottish Wider Access Programme provides a gateway to nursing. This course can help you move on to university to study adult nursing, mental health nursing, learning disability nursing or child nursing.

You will receive a solid grounding in healthcare, as well as building confidence and self-esteem through studying with like-minded people, to prepare you for the return to education.

Start Date

August

Qualification

Access to FE/HE

Study Method

Full time

Course Length

1 year

Department

Health and Wellbeing
