

ESOL - English For Speakers of Other Languages (Levels 4 and 5)

West Lothian College

Content

Studying ESOL will develop your confidence in social and work situations, improve your grammar and vocabulary and allow you to progress to further study or employment. You will enhance your digital and presentation skills over the course of the year through working in pairs and groups.

The course includes ESOL National 4, ESOL National 5, Living in Scotland, ICT and Communication. You will have the opportunity to engage with college staff and other partners to discuss your next steps in study or employment. You will be supported to use your communication skills in a variety of contexts and join in visits to The Scottish Parliament as part of learning about Scottish culture.
