Creative Industries (Level 5)

West Lothian College

Content

The course supports students to gain foundation level skills in photography, art and video production.

By engaging fully with all the course content designed by lecturers who have professional experience in all the areas of study, you will gain valuable insight into how the Creative Industries work. You will also have the opportunity to develop the personal qualities and skills required for further study within Art, Photography, Videography and potentially employment within these areas.
