Content

This introductory preparation course is designed to support those working within, as well as those who are looking to enter into the field of Early Learning and Childcare. Candidates will develop practical skills and the industry standard underpinning knowledge, necessary for career progression within the Early Learning and Childcare sector.

This is a 12 week programme with 4 classroom sessions and access to online resources designed to support those who wish to undertake the HNC Childhood Practice qualification starting in August 2023.

You will be introduced to the following areas:

Study skills for HNC Childhood Practice; Current Landscape Early Learning and Childcare; Curriculum for Excellence; Development Theory; Planning for learning.
