Content

This course provides the knowledge and skills necessary to work as an exercise professional in various contexts. Specific aims of the HND are to increase awareness of the interdisciplinary nature of fitness and health and to develop skills in exercise application and leadership. This course will develop an understanding of the role of fitness, health and exercise in contemporary society and the need to involve participants fully in their own fitness and health development.

Delivery is split between Arbroath and Gardyne campuses.

Upon successful completion of the course learners may register themselves as a Level 3 Personal Trainer with CIMSPA.
