

Pre-Apprenticeship in Engineering

Forth Valley College

Venues

Falkirk Campus

Content

This programme allows candidates to follow a similar route as Year 1 of a Modern Apprenticeship. This allows students to explore engineering subjects and practical activities. On completion of this programme, successful candidates may progress to a second year of an apprenticeship programme with a key employer or a full-time course.

Course content includes:

Completion of an NC in Electrical, Mechanical or Measurement and Control Engineering; SVQ at SCQF Level 5 in Performing Engineering Operations.

Start Date

August

Qualification
