Content

NC Level 6 Beauty Care is a one-year innovative course covering the skills required to enter the beauty industry.

You will combine practical and theory work in areas such as massage; facial treatments and eye enhancements; nails; waxing and electrotherapy, gaining essential practical experience working on clients in our professional salon environment. You will be provided with up-to-date training in new technology and techniques in high-end products and equipment from representatives in the beauty industry. Training at Edinburgh College will enhance your employability prospects as we have an exceptional standard of facilities and highly qualified lecturers.

This course is fantastic preparation for becoming a practitioner in the industry and equips you with the skills you need to continue on to further studies at HNC/D Level.
