

## Mathematics (Higher)

Edinburgh College

### Venues

Community Outreach

### Content

Mathematics is rich and stimulating. It engages and fascinates learners of all ages interests and abilities. Learning in mathematics develops logical reasoning analysis problem-solving skills creativity and the ability to think in abstract ways. It uses a universal language of numbers and symbols which allows us to communicate ideas in a concise unambiguous and rigorous way. You can study this course at Sighthill campus during the day or at St Thomas of Aquins school in the evening, one of over 40 community venues which the College serves.
