

# Computer Aided Design and Draughting

Glasgow Kelvin College

## Venues

East End Campus  
Easterhouse Campus  
Springburn Campus

## Content

Year 1:

The course will begin by building your skills and knowledge in CAD software for 2D and 3D work.

Year 2:

You will explore more specialised practices, develop interactive immersive engineering visualisations and spend hands-on time with prototyping and manufacturing practices.

## Start Date

August

## Qualification

HND

## Study Method

Full time

## Course Length

2 years

## Department

Computing

## Entry Requirements

1 Higher, preferably in a technological subject, or Foundation Apprenticeship in Engineering; or a relevant NQ course at SCQF Level 6 or other relevant national qualifications at SCQF Level 6, or relevant experience. You will be invited to an interview where you can find out more about the course.

## SCQF Level

8

## Progression Routes

Product Design 3D Art/Animation or employment in industry.

## Address

123 Flemington Street  
Glasgow  
Glasgow City  
G21 4TD
