

Bricklaying (PDA)

Orkney College UHI

Venues

Kirkwall
Virtual Learning Environment (VLE)

Content

The PDA in Bricklaying provides further development of competences which you will already have achieved through the SVQ programme. It gives invaluable practical experience and knowledge should you aspire to other professions in construction outside the role of a developed craftsperson, such as supervision and management.

Completion of your PDA will also give you the opportunity to progress to an Advanced Certificate which will further develop your hand skills and more specialised and traditional craft skills.

Start Date

September

Qualification

Other

Study Method

Part time (block release)

Course Length

10 weeks

Department

Energy, Engineering and Construction

Entry Requirements

Contact institution
