Content

With world-renowned archaeological heritage sites such as Skara Brae, Maeshowe, the Camster Cairns and Mousa Broch, what better place could there be to study archaeology than in the Highlands and Islands of Scotland?

Our BA (Hons) Archaeology* is closely linked to the distinctive cultural heritage of Scotland, but also places all of that within a much broader global context.

The degree will provide you with a detailed understanding of the practice of archaeology. You will also develop your own practical skills in archaeology through hands on experience and archaeological placements.

You will receive research-led teaching from lecturers engaged in world-class research on projects from the Scottish Islands, the UK and Ireland, to the Atlantic region and Polynesia.

There is a strong emphasis on developing archaeological skills in a number of areas including: field archaeology (for example, excavation and survey); environmental archaeology (for example, zooarchaeology, archaeobotany and osteoarchaeology), together with digital archaeology, such as photogrammetry; and archaeological illustration.

Start Date

September

Qualification

Degree

Study Method

Part time (day)

Award Title

BA Hons

Course Length

8 years

Department

History, Heritage and Social Studies

Entry Requirements

3 Highers at BBC including two relevant subjects.
