

## Archaeology and Environmental Studies

Highland Theological College UHI

### Venues

Main Campus  
Virtual Learning Environment (VLE)

### Content

This course gives you the opportunity to focus on the scientific aspects of archaeology while combining your studies with sustainability issues, techniques in field-based evidence, and ethics.

The Highlands and Islands of Scotland offer some of the best nature and heritage conservation sites in the UK and the residential field modules, which form part of your studies, will enable you to experience these while developing your environmental and archaeological skills. This skillset will provide opportunities to pursue careers across a variety of research, policy and interpretation roles, in a wide range of wildlife and heritage organisations.
