

Childhood and Youth Studies

Open University in Scotland

Content

Develop your understanding of the factors influencing and issues facing children and young people in a range of social and cultural contexts. This engaging and wide-ranging interdisciplinary diploma is for anyone working with children and young people or with a general interest in the field. You'll investigate policies, practices and issues affecting the lives of children and young people across a range of settings – developing your knowledge, your analytical skills and improving your practice.
