

Childhood and Youth Studies

Open University in Scotland

Content

Curious about what shapes childhood and youth in today's world? This diploma gives you the tools to explore the lives of children and young people through a critical, real-world lens. You'll develop your understanding of the factors influencing children and young people in a range of social and cultural contexts, and investigate the policies, practices and challenges that affect their lives. This engaging and wide-ranging interdisciplinary diploma is ideal for anyone working with children and young people or for those with a general interest in the field, whether you're aiming to progress your career or continue towards a full degree.

Start Date

October
