

Electrical and Electronic Engineering (Advanced entry)

Inverness College UHI

Venues

Inverness Campus
Virtual Learning Environment (VLE)

Content

The BEng (Hons) Electrical and Electronic Engineering is a vocational course, highly relevant to industry. It is designed to give you the skills and knowledge required to make a career as an electrical or electronic engineer in a wide range of industries.

The degree is applications-based using industry related software and includes laboratory-based investigations and case studies that will provide you with the specialist electrical and electronic knowledge and broad engineering skills required by industry.

You will also undertake an engineering project which will showcase your skills and knowledge in solving an industry-related problem to prospective employers.

Start Date

September, January

Qualification

Degree

Study Method

Distance and Flexible learning
Part time (day)

Award Title

BEng Hons

Course Length

6 years

Department

Energy, Engineering and Construction

Entry Requirements

HNC Engineering Systems; or Electrical Engineering.

SCQF Level

10

Progression Routes

Postgraduate Study

Address

1 Inverness Campus
Inverness
Highland
IV2 5NA
